PROJECT BACKGROUND

As many of you know, Guru Maharaj instructed devotees during Krishna Katha Desh on 2 August 2024 to build a temple at Birnagar, the birthplace of Srila Bhaktivinoda Thakura.

Milestones Achieved

- ✓ March 2025 – Purchase of the first 1.5-acre land parcel.
- ✓ 12 April 2025 – Bhumi Pujan ceremony successfully performed.

Current Update

The initial land is insufficient for the complete vision. Negotiations are underway to purchase an adjoining parcel that shares a common boundary with the Janmasthan temple. Guru Maharaj is particularly eager to acquire this land due to its strategic and spiritual significance.
