Birnagar Temple Project

Kirtan Seva Trust

IN THIS ISSUE:

1. Wall of Legacy Campaign
2. Kamala Manjari Sevakis Launch
3. Birnagar Preaching Center Inauguration

A message from the Project Director

On behalf of the President HH Jayapataka Swami

Dear Birnagar Temple Project Well-Wishers

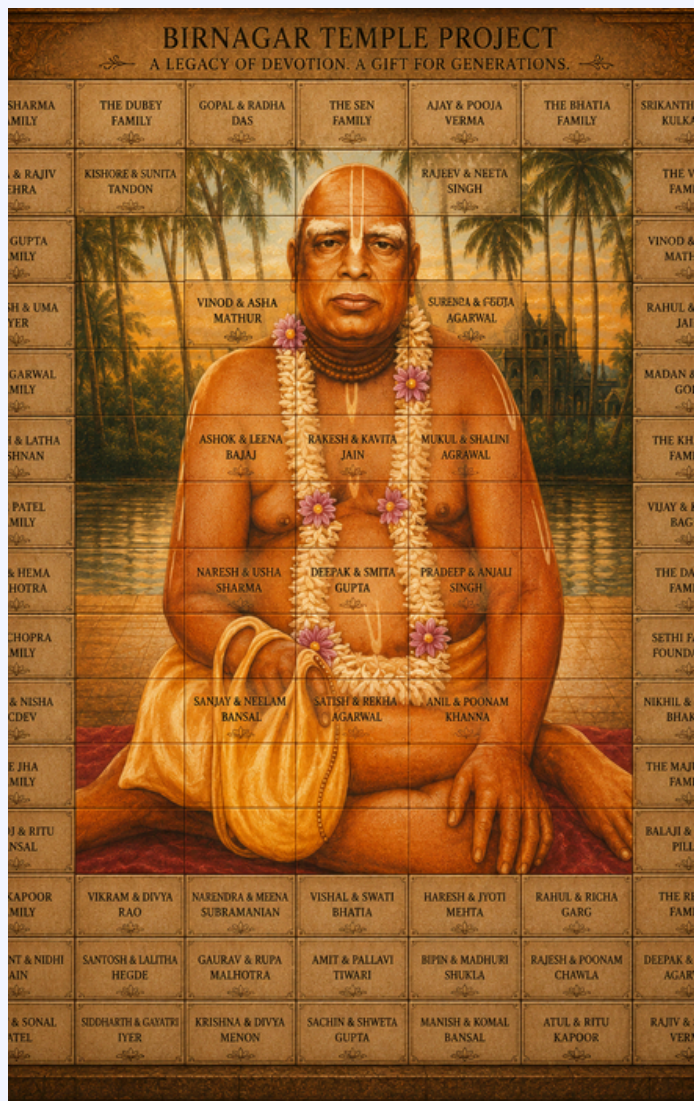

To keep all our supporters informed, we are pleased to launch a monthly Birnagar Temple Project Newsletter. Each edition will share important developments and milestones of this sacred project.

In this second edition, we share some key launches that represent critical milestones in the Birnagar Project.

We sincerely appreciate your continued prayers, encouragement and generous support. Kindly share this edition with devotees, well-wishers and donors who may wish to be part of this historic project.

Your ever well-wisher,
Vaikunthapati Das

Wall of Legacy Campaign

Launched in April 2026 on HH Jayapataka Swami's Vyasa Puja day, the Wall of Legacy Campaign invited devotees to contribute a minimum of ₹1,000, with each contribution earning a donor's name on a unique digital portrait of Srila Bhaktivinoda Thakura. Conceived by Srinivasa Gauranga Prabhu, the campaign attracted significant interest, raising approximately ₹30–40 lakhs from nearly 3,000 donors over three months. Although the initial vision was to reach 1 lakh donors, the campaign highlighted the scale of grassroots effort required to achieve that goal.

The experience underscored the need for a much stronger volunteer network to drive outreach and fundraising across India. Incorporating these lessons, the campaign is planned for a relaunch in 2027 with better preparation, a stronger execution strategy, and wider volunteer participation to maximize its reach and impact.

Launch of Kamala Manjari Sevakis

To engage well-wishers who may not be able to make large one-time donations, we launched the “Kamala Manjari Sevakis” Fundraising Initiative, enabling smaller monthly contributions and donations to mark special occasions such as birthdays and anniversaries. The initiative aims to build a nationwide network of 100–150 Sevakis (Matajis) to lead grassroots fundraising across India.

The initiative currently has 10 active Matajis, and its potential is already evident—within the first month, just five volunteers collectively raised over ₹2 lakhs. This early success reinforces the opportunity to significantly expand the initiative through a larger volunteer network.

Birnagar Preaching Center Inauguration

June and July 2026 marked the first-ever construction activity on the Birnagar project land with the development of a dedicated Preaching Centre to host regular preaching programs. Despite significant uncertainty caused by the monsoon, the civil, plumbing, and electrical work was completed just in time for the inauguration on July 14, the disappearance day of Srila Bhaktivinoda Thakura. The project was made possible through the dedicated efforts of the site construction team, who led the planning, procurement, and execution of the construction.

The inauguration was graced by HH Bhakti Vilas Gaura Chandra Swami Maharaj and preceded by a 1.5-hour Nagar Sankirtan attended by 500-700 devotees. The ceremony included the inauguration and arati, followed by talks from the Babaji serving Srila Bhaktivinoda Thakura's Janmasthan and HH Bhakti Vilas Gaura Chandra Swami Maharaj, in the presence of local Birnagar dignitaries. Fittingly, heavy rains began only after the program concluded, a moment many devotees saw as the blessings of Varuna Deva.

The hall will now serve as a venue for daily preaching activities, and a recording of the inauguration has been shared with the devotee community.

We want to hear from you!

This project belongs to all devotees. Be it suggestions related to construction, outreach, fundraising, donor care, technology or administration - we welcome your suggestions and ideas.
